4) There is a necessity, as we have been allowing transfers between the services under Government, and those under Local bodies rather freely, for some rules as to payment of leave allowances according to rule of proportions.

5) An article somewhat like the following may perhaps be incorporated in our Regulations:-

"When an officer serving under a Local Fund is transferred to an appointment payable from the General Revenues and the service is of such a nature that it qualifies for leave under both, the leave allowances will be disbursed from the Local Funds

Submitted to His Highness.

A question having arisen as to whether the leave allowances of an officer who has served partly in a department of Government and partly in a local fund establishment should not be shared by Government and the fund according to the rule of proportions, the Comptroller has pointed out that there is no rule in the Mysore Service Regulations on the subject and has suggested the desirability of adopting a rule similar to the one contained in Article 810 of the Civil Service Regulations.

Paper under disposal.

2. It may be noted that the rule of proportions has been adopted for regulating the pensions of officers who have served both under Government and a Local Fund (Article 263 of the Mysore Service Regulations) and the present proposal is for the extension of the same to the leave allowance claims of such officers.

4. The Second Councillor has approved of the draft. The First Councillor says that he sees no objection and that the rule may be prescribed. He has however added:- " Perhaps the leave allowances may be left out as it would create a deal of unnecessary work. Probably both the sides will nearly balance each other".

5. I think that the draft put up by the Financial Department may be approved.

As no separate order generally issues in connection with A & C ~~ships~~ lists to M.S.R., it is very necessary that such lists should issue with the least possible delay.

Owing to some mistake occurring in such lists if the passing of the final proofs is left to the Press, this work is reserved by the Final ~~Accts~~ Branch. There was ~~in~~ long delay of nearly 2 months ~~+ over~~ on the part of the Press in issuing the 4th list.

With a view to obviating such delays it is proposed to issue a Remt.

SERIAL NO. 1

SIR,

I have the honor to state that, in his letter No.417 dated the 25th November 1912 (copy enclosed) the Vice President of the Kolar Gold Fields Sanitary Board has raised the question whether the leave allowances of an officer who has served partly in a Department of Government and partly in a Local Fund establishment should not be shared by Government and the Fund according to the Rule of Proportions.

There is no rule in the Mysore Service Regulations authorising the application of this rule in such cases and the adoption of a rule similar to that contained in Article 810 Civil Service Regulations is therefore necessary and desirable. The rule of proportions has been adopted for regulating the pensions of officers who have served both under Government and a Local Fund and the present proposal is for extension of it to leave allowance claims of such officers.

I have the honor to be,
Sir,

Subject matter.

Stating that the Vice-President of the K.L.C. Co. has raised the question whether the leave allowance for one who has served partly in the Dept. of Govt. & partly in the Local & Subs. Dept. should be shared etc

Letter No.417 dated 25th November 1912 from the Vice President, Sanitary Board, Kolar Gold Fields, to the Comptroller, Mysore Government, Bangalore.

In connection with an application for three months' privilege leave from one Ramiah, Clerk in the Health Office, I have the honor to request to be favoured with instructions on the following points.

2. Ramiah's services during the past thirty three months are as noted on the margin, so that the service by which the leave has been earned was paid partly from gereral revenues and partly from the funds of the Sanitary Board. The question is how his leave allowances are to be met.

	Months.	Days.	
February 1910 to June 1911	17	..	Bill Collector of the Market collection establishment Sanitary Board on Rs.30/-.
1st July 1911 to 28th May'12	10	28	2nd Clerk Special Magistrate's Court Kolar Gold Fields on deputation as Head Munshi Srinivaspur Taluk pay Rs.25/-.
29th May to 31st October	5	3	1st Clerk, Health Office, Kolar Gold Fields.

In my opinion the leave allowances should be debited to gereral revenues and the Sanitary Board according to the rule of proportions as in cases of officers who return from Foreign service, vide Article 421 Mysore Service Regulations. Definite instructions in the matter are solicited as there do not appear to be any standing orders on the subject.
